(*b*) Are they aware of the want of proper means of communication from the lakes bordering that taluk to the interior parts and also of the consequent difficulty experienced by cultivators in the matter of transporting manures, etc., for use in those parts?

(*c*) Will the Government be pleased to provide more and better means of communication for that taluk?

MR. R. KRISHNA PILLAI: (*a*) (i) It is not possible to furnish information regarding the revenue of the taluk from the several sources, as accounts of revenue for the several departments are not kept taluk-war. The land revenue of the taluk for 1097 was Rs. 1,48,736-Chs. 22 -C. 15.

(ii) As expenditure is not accounted for by taluks, it is not possible to furnish accurate information. The annual expenditure on communications in the taluk is, however, roughly calculated by the Chief Engineer to be Rs. 12,375, exclusive of expenditure on original works.

(iii) The population of the taluk, inclusive of the town of Kayankulam, is 1,58,058.

(*b*) Yes.

(*c*) Karunagapalli is a taluk where road-making is difficult and costly. The matter is, however, receiving every possible attention.

MR. S. PARAMESVARA AIYAR: (*a*) The statement* asked for by the member is laid on the table. Appointments above Rs. 40 per mensem have received the sanction of Government. Those below are being scrutinised, so as to ascertain whether they are in order.

(*b*) Three acting clerks who are English School Leaving Certificate holders (two on Rs. 20 and one on Rs. 15) and 7 Petty Officers on Rs. 20 have been promoted as Sub-Inspectors on the ground of ability and fitness for executive work.
